H. G. Hindmarsh, Esq.,

"The Star",

Toronto.

Dear Mr. Hindmarsh:

Last year "The Star" was good enough to give one hundred dollars from its holiday funds to the University Settlement to give the children an outing. If you can see your way to repeating it this year it will be much appreciated and the money will be well spent. Would you correspond with Mr. J. S. McLean, Treasurer of the Settlement, at the Harris Abattoir, as I am leaving the city to-morrow to be absent until the end of August?

With kind regards, I am,

Yours sincerely,

President.
